## **Mrs. Sangita Shilpkar – (Google Review) – Site : Silicone City**

Overall experience was excellent, starting through measurements then quotation then deliveries and then final installation, everything was superb with reasonable rates. Hatimee Glass team are very professional towards their work, their updation are very prompt. We will surely advice people to install Domal Section Windows from Hatimee Glass for better durability and looks. Thank you so much to the owner Mr. Hatim Kanchwala for his timely guidelines & a big thankyou to his team who coordinated from starting till the end to give our house the perfect look.

## **Mr. Prabhanshu Chaubey – (Google Review) – Site : Treasure Fantasy**

Whenever you are looking for super-finishing in terms of products, be it Aluminium doors and windows, toughened glass or domal sections, "Hatimee Glass" should be your next-door service provider. They are way too humble, provide you the most reasonable rates and the best-in-class services.

The quality of work is amazing and extra ordinary. Also, the best and the finest thing about them is they are ready to extend help and support whenever required. A big thank you to "Hatimee Glass" for the services they are constantly providing us!!!

Keep up the good work!

## **Prof. Tahir Ali Pithawala – (Google Review) – Site : Masakin e Saifiyah**

I am very satisfied with the work done by Hatimee Glass... The product quality is up to the mark and the services they provide are awesome... their product presentation.. design suggestion.. proper follow up by the sales representative.. and giving updates of order status after taking the order.. all these things make me feel like am dealing with a very professional company.. so the overall experience was amazing...

## **Mr. Shoeb Shaikh – (Google Review) – Site : Pakiza Greens**

It was a great experience to work with HATIMEE GLASS. The product quality, service and installation all up to the mark. Specifically speaking, the anodic powder coating quality and workmanship was outstanding. We would highly recommend HATIMEE GLASS to our family and friends. Keep up the good work guys.

## **Mr. Mohammed Arif – (Google Review) – Site : New Saifee Nagar**

Hatim Bhai, thank you for installing such amazing windows. I'm glad I went ahead with your suggestion of Aluminium System Windows. It's great quality. Your pricing was the most competitive and so was your service.

## **Mrs. Palak Sharma – (Google Review) – Site : Treasure Fantasy**

I have been using Aluminium Domal Section Windows from Hatimee Glass since 3 years now. All my windows and doors are working very smooth. The products and services they offer is excellent with fairly reasonable rates and great after sales service. I'm very happy with the products and the services provided by Hatimee Glass team. I highly recommend Hatimee Glass to others.

## **Mr. Sushant Mahajan – (Google Review) – Site : MHOW Cant.**

Recently, I got a new office building built. When looking for a window solution provider, based on the recommendation of one of my acquaintances, I approached Hatimee Glass, a renowned Aluminium windows fabricators. I commend the team's efforts at helping me choose the right windows for my office, and they were a great source of guidance until the installation was complete. I would strongly recommend their product and services.
